## Iron and Aluminum Railings

[www.TroyFence.com](http://www.TroyFence.com)

get the best product at a reasonable price.

Our aluminum and iron products are built here in Michigan in our facility with local suppliers. Other products include staircases, spiral staircases, enclosures, security cages, arbors, etc.

For all your decorative, functional or architectural projects, add wrought iron or aluminum to your home. TROY FENCE can meet your needs now and in the future. Choose from our standard designs or allow us to custom design a railing, gate or fence system for your needs. We can also work with your builder or architect on any size project.

**TROY FENCE** provides high quality, standard and custom aluminum railings for decks, porches, patios, ramps or anywhere safety is a concern.

Our aluminum railings have the look of iron without the maintenance. You can choose from simple to elaborate designs and expect a lifetime of use.

TROY FENCE provides high quality, standard and custom designed iron railings. Wrought iron railings are the ultimate product for decks, patios, porches. Providing safety and elegance.

*All railings built to meet ADA, residential or commercial building codes.*
